PATIENT LOAN AGREEMENT

I understand that the equipment loaned is sensitive and valuable. We require that all equipment be handled with care. The borrower understands that the following actions may result in damage to the device: *1) Submerging the unit in liquid (ie. bathing, swimming) or exposing unit to direct streams of water. 2) Dropping the device. 3) Any other action by the borrower that causes damage to the device.*

The borrower must ensure that the equipment is returned in working condition. I understand that the device is not life saving. The lender assumes no responsibility in case of technology failure or any personal injury sustained by improper use by the borrower.

Electronic Data Sharing: I understand the information collected will be electronically shared with Canadian Cardiac Care in order to fulfill monitoring services. **By signing this document I acknowledge that I have read and understand the terms and conditions stated above.**
